

A map of the study area in the north-eastern part of the Tigris basin. The map shows the Tigris River flowing from the north towards the south. Several districts are labeled: Bagmati, Tbilisi, and others. The map is divided into various regions, some of which are shaded with different patterns (dots, cross-hatching, etc.). The Tigris River is shown as a prominent feature, with several tributaries or branches. The map is oriented with North at the top.
